### *Level 2 Sex Offender Notification – Cobb (Paulden)*

\*\*\*

The Yavapai County Sheriff's Office is required to release the following information pursuant to ARS 13-3825, the Community Notification on Sex Offenders Law. The offender in this publication has indicated that he will be living in the unincorporated area of Yavapai County. It is the responsibility of the Chief Law Enforcement Office having jurisdiction where the offender resides to make notification to the community. Notification must be made when certain sex offenders are released from Arizona State prison, accepted under an interstate compact, or released from the county jail back into the community. Offenders are categorized into three levels: Level One (low risk to the community), Level Two (intermediate risk to the community) and Level Three (high risk to the community).

The individual who appears on this notification, **38-year-old Aaron Christopher Cobb**, has been convicted of a sex offense which allows for community notification. **This sex offender has advised the Yavapai County Sheriff's Office that he will be residing at 25055 N Oak Drive, Paulden, Arizona, 86334. This individual is not wanted by the Yavapai County Sheriff's Office at this time.**

As result he was convicted in May of 1996 of 2 counts of Aggravated Criminal Sexual Abuse. In 2005 Offender was convicted of Violation of Sexual Offender Registration. He is not on parole or probation. Offender Cobb is considered a level 2 (intermediate) risk.**

This notification is not intended to increase fear; rather it is the Sheriff's Office belief that an informed community is a safer community. **CITIZEN ABUSES OF THIS INFORMATION TO THREATEN, INTIMIDATE, OR HARASS SEX OFFENDERS WILL NOT BE TOLERATED.**
